

### REMARKS

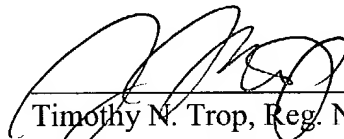

Claim 1 has been amended to call for providing a cellular repeater in an AM/FM radio. Claim 2 was rejected with the note that Khamis' cellular radio is a vehicle radio. While Khamis' device is a vehicle radio, it is not a cellular repeater. Moreover, Khamis is not an AM/FM radio.

Therefore, claim 1 as amended patentable distinguishes over Khamis, Logsdon, or any combination thereof. For the same reason, the remaining claims should also patentably distinguish over the art of record.

In view of these remarks, the application should now be in condition for allowance and the Examiner's prompt action in accordance therewith is respectfully requested.

Respectfully submitted,

Date: July 20, 2004
